

Musical Jokes

How many sopranos does it take to change a light bulb?

One; she holds the bulb and the world revolves around her!!

How many altos does it take to change a light bulb?

Three; one to do it and two to say "Isn't that a little high for you?"

How many tenors does it take to change a light bulb?

Four; one to do it and three to bitch that they could have done it better

How many basses does it take to change a light bulb?

None; they're so macho they'd rather walk about in the dark

What is the definition of a male quartet?

Three men and a tenor!!

How do you know when there is a singer at the door?

They can't find the key for ages and then they don't know when to come in!

Philomusica takes no responsibility for these; they were taken from the internet!!
